YEARBOOK CO.

EAGLEBEAK, SUPER-HERO AND PALMER MASCOT, STANDS CONCENTRATING IN HIS FORTRESS OF SOLITUDE.

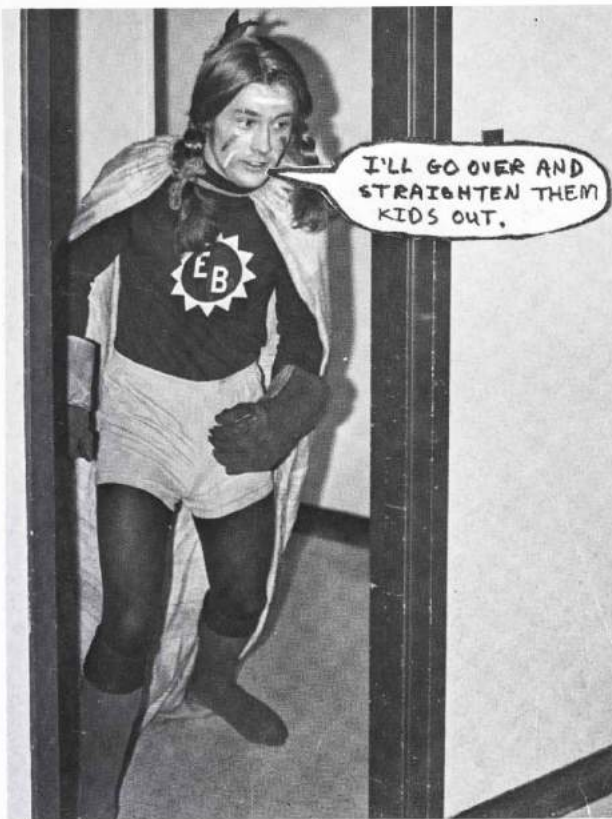

SUDDENLY, EAGLEBEAK'S SUPER-HEARING DETECTS HIS NAME BEING USED IN CONVERSATION.

MEANWHILE, AT A SCHOOL BOARD MEETING...

USING HIS AMAZING POWER TO FLY, EAGLEBEAK FLIES TOWARDS HIS AWFUL ADVERSARIES.

FIRST FEAT: GET AN ADMIT FOR AN UNEXCUSED ABSENCE.

HOW ABOUT
SOME RIGHT GUARD
INSTEAD?

WOULD YOU KINDLY
GESTOW UPON ME AN
ADMIT?

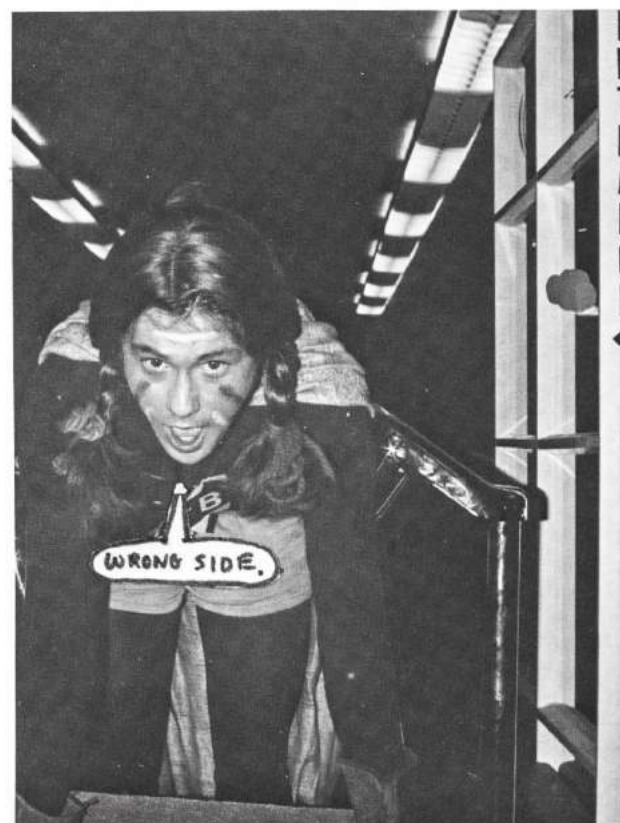

S-S-SURE!?!

FB

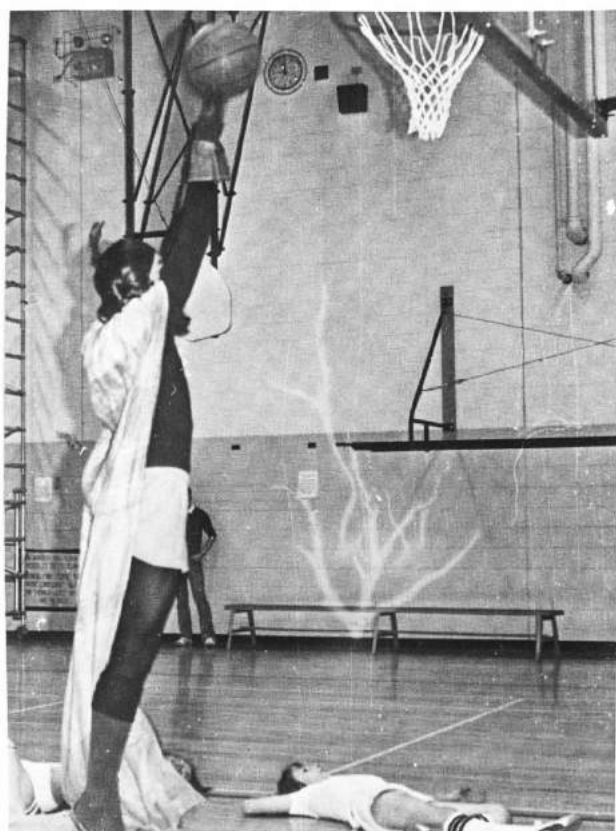

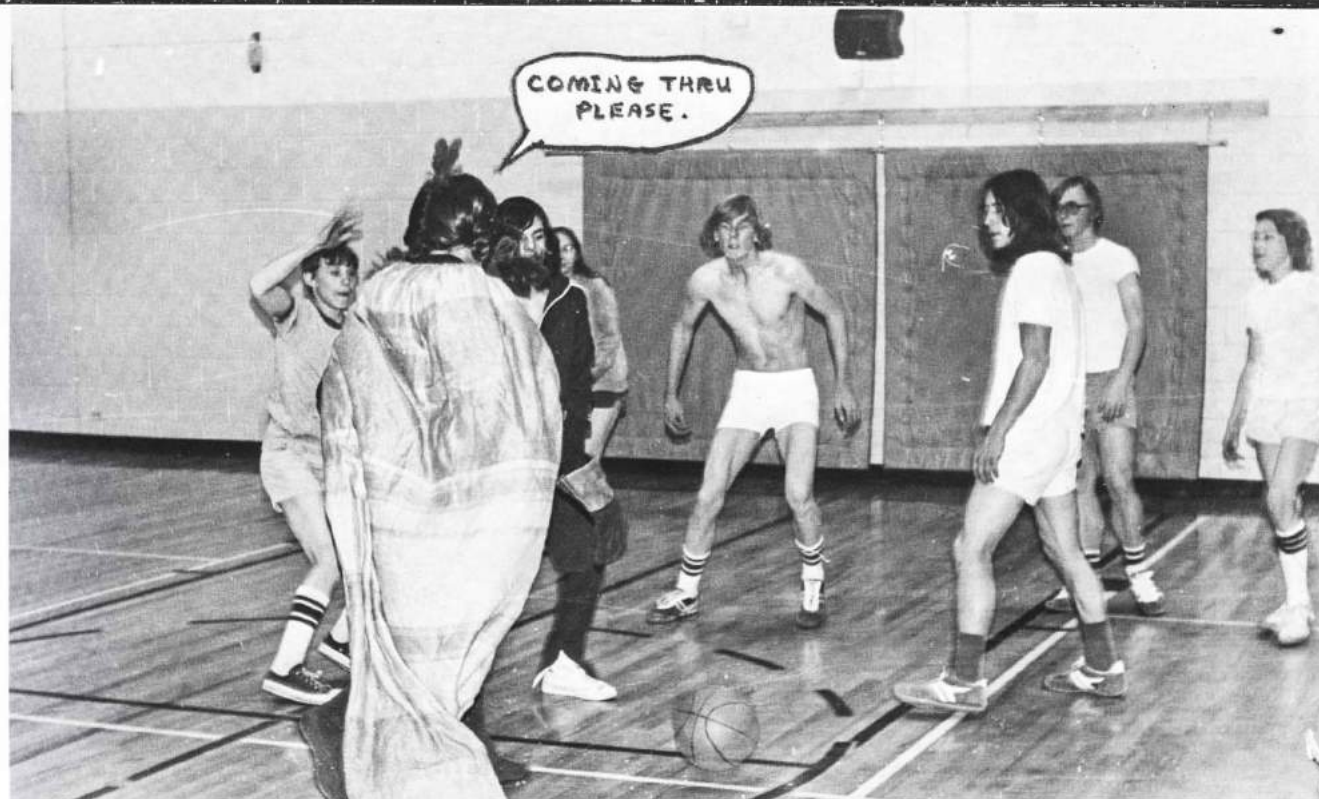

SECOND FEAT: TAKE A LIBRARY BOOK WITHOUT GETTING CAUGHT BY THE DETECTOR.

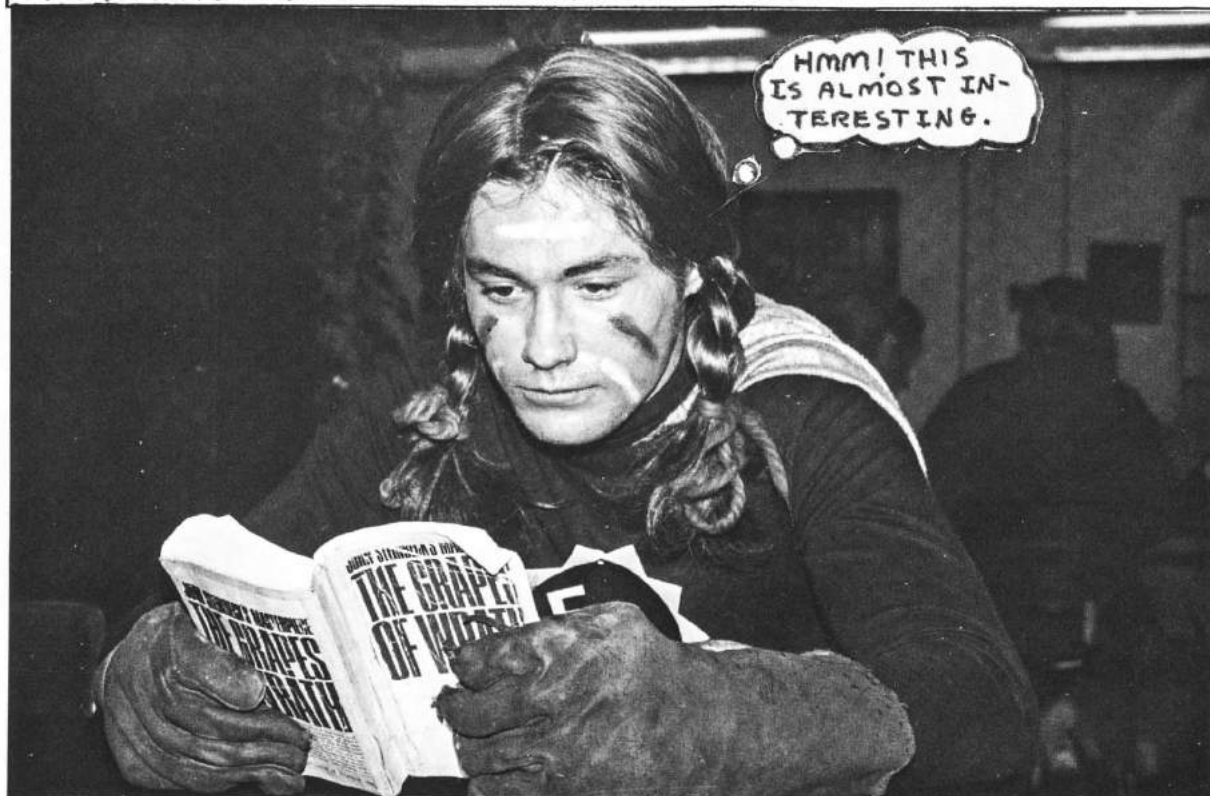

E.B.'S BODY WAS A BLUR OF SPEED.

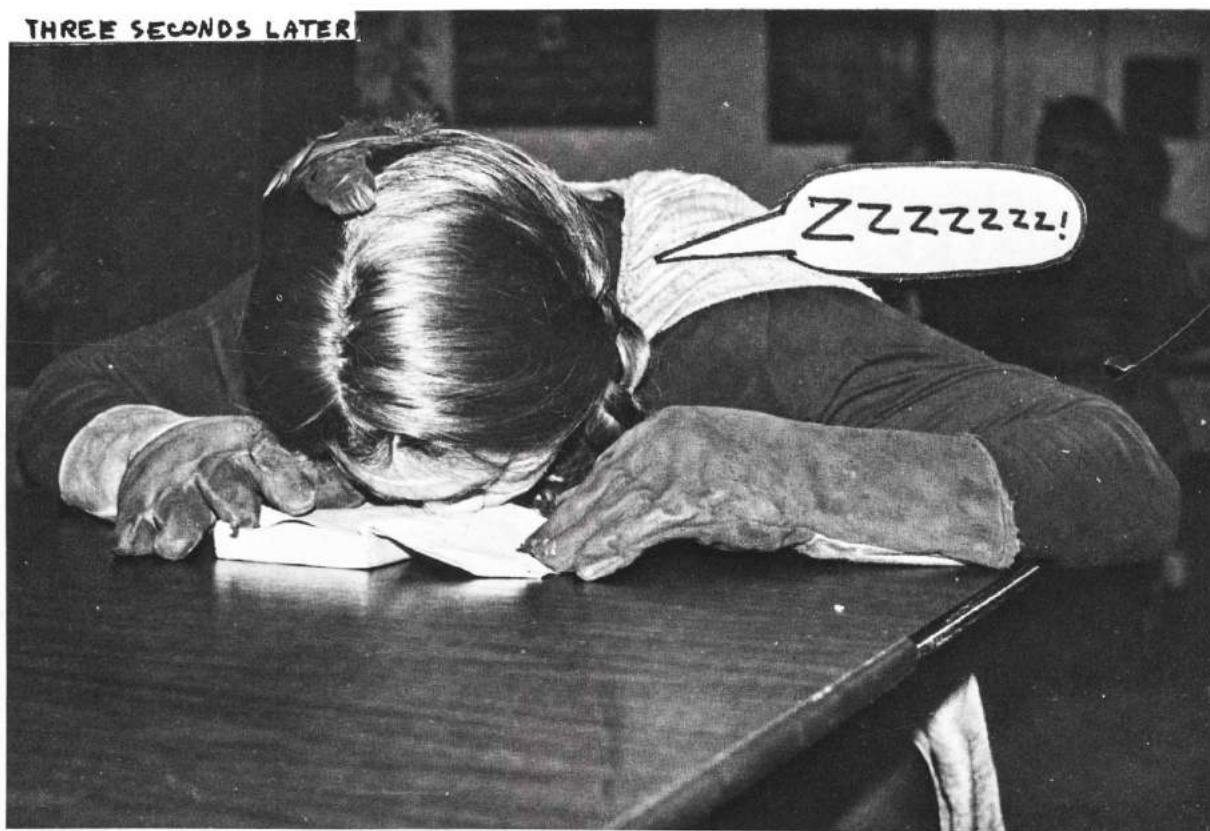

THIRD FEAT: TAKE ON A PALMER BASKETBALL TEAM SINGLE-HANDED.

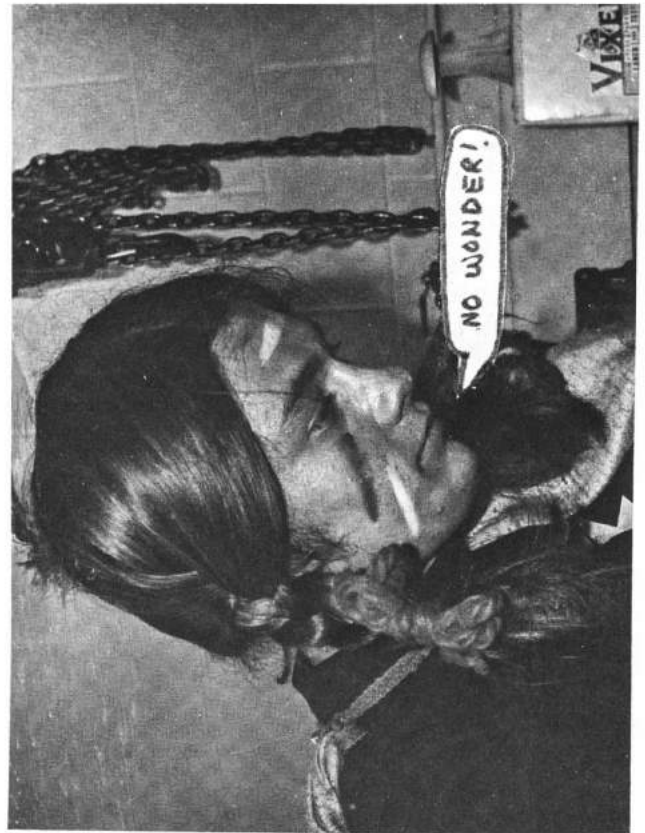

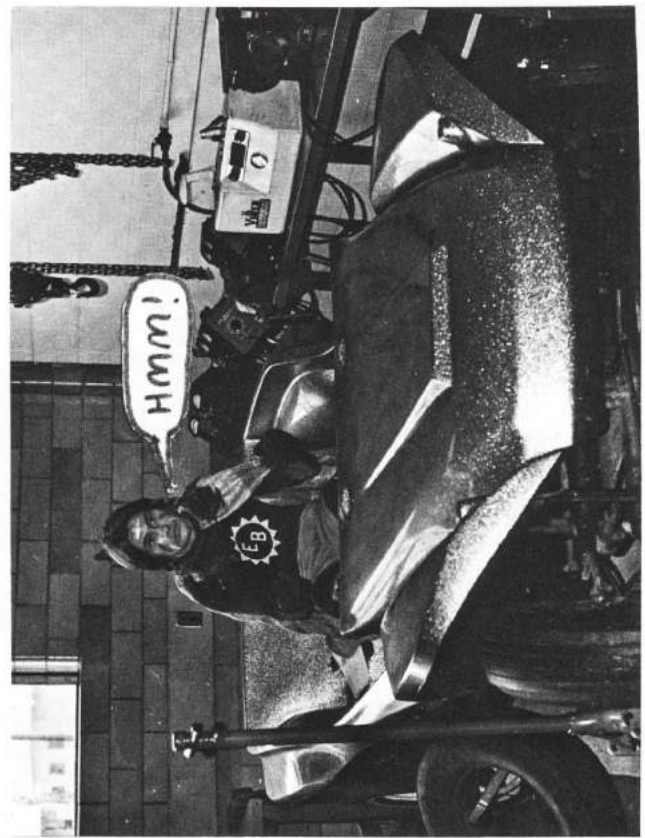

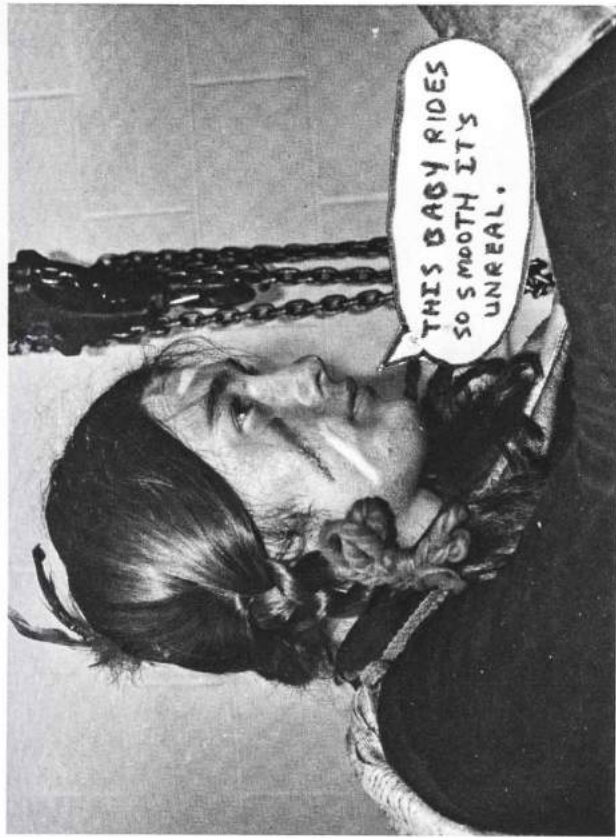

FOURTH FEATS READ A REQUIRED ENGLISH BOOK AND NOT GET BORED.

THREE SECONDS LATER

SIXTH FEAT: GENERATE SOME SCHOOL SPIRIT.

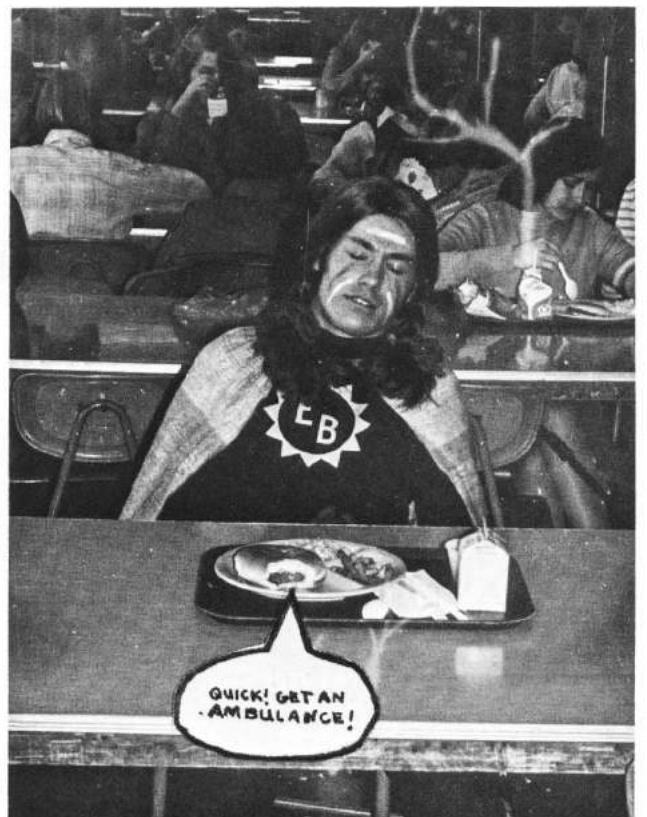

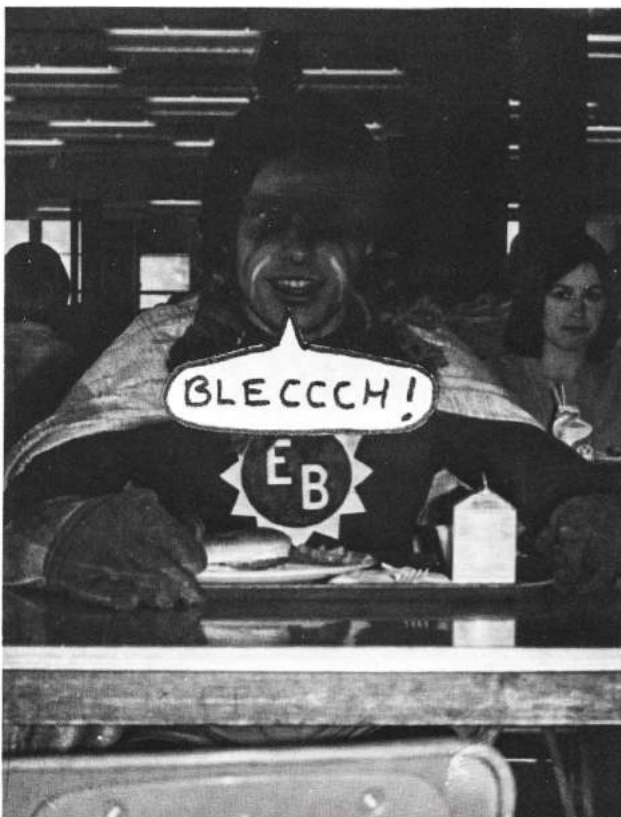

FOR THE NECESSARY INGREDIENTS,
EAGLEBEAK PURSUES THE PALMER LAB

SEVENTH FOOT: LEARN TO PLAY AN INSTRUMENT IN ONE HOUR.

8th FEAT: CONSUME A SCHOOL LUNCH... AND LIVE.

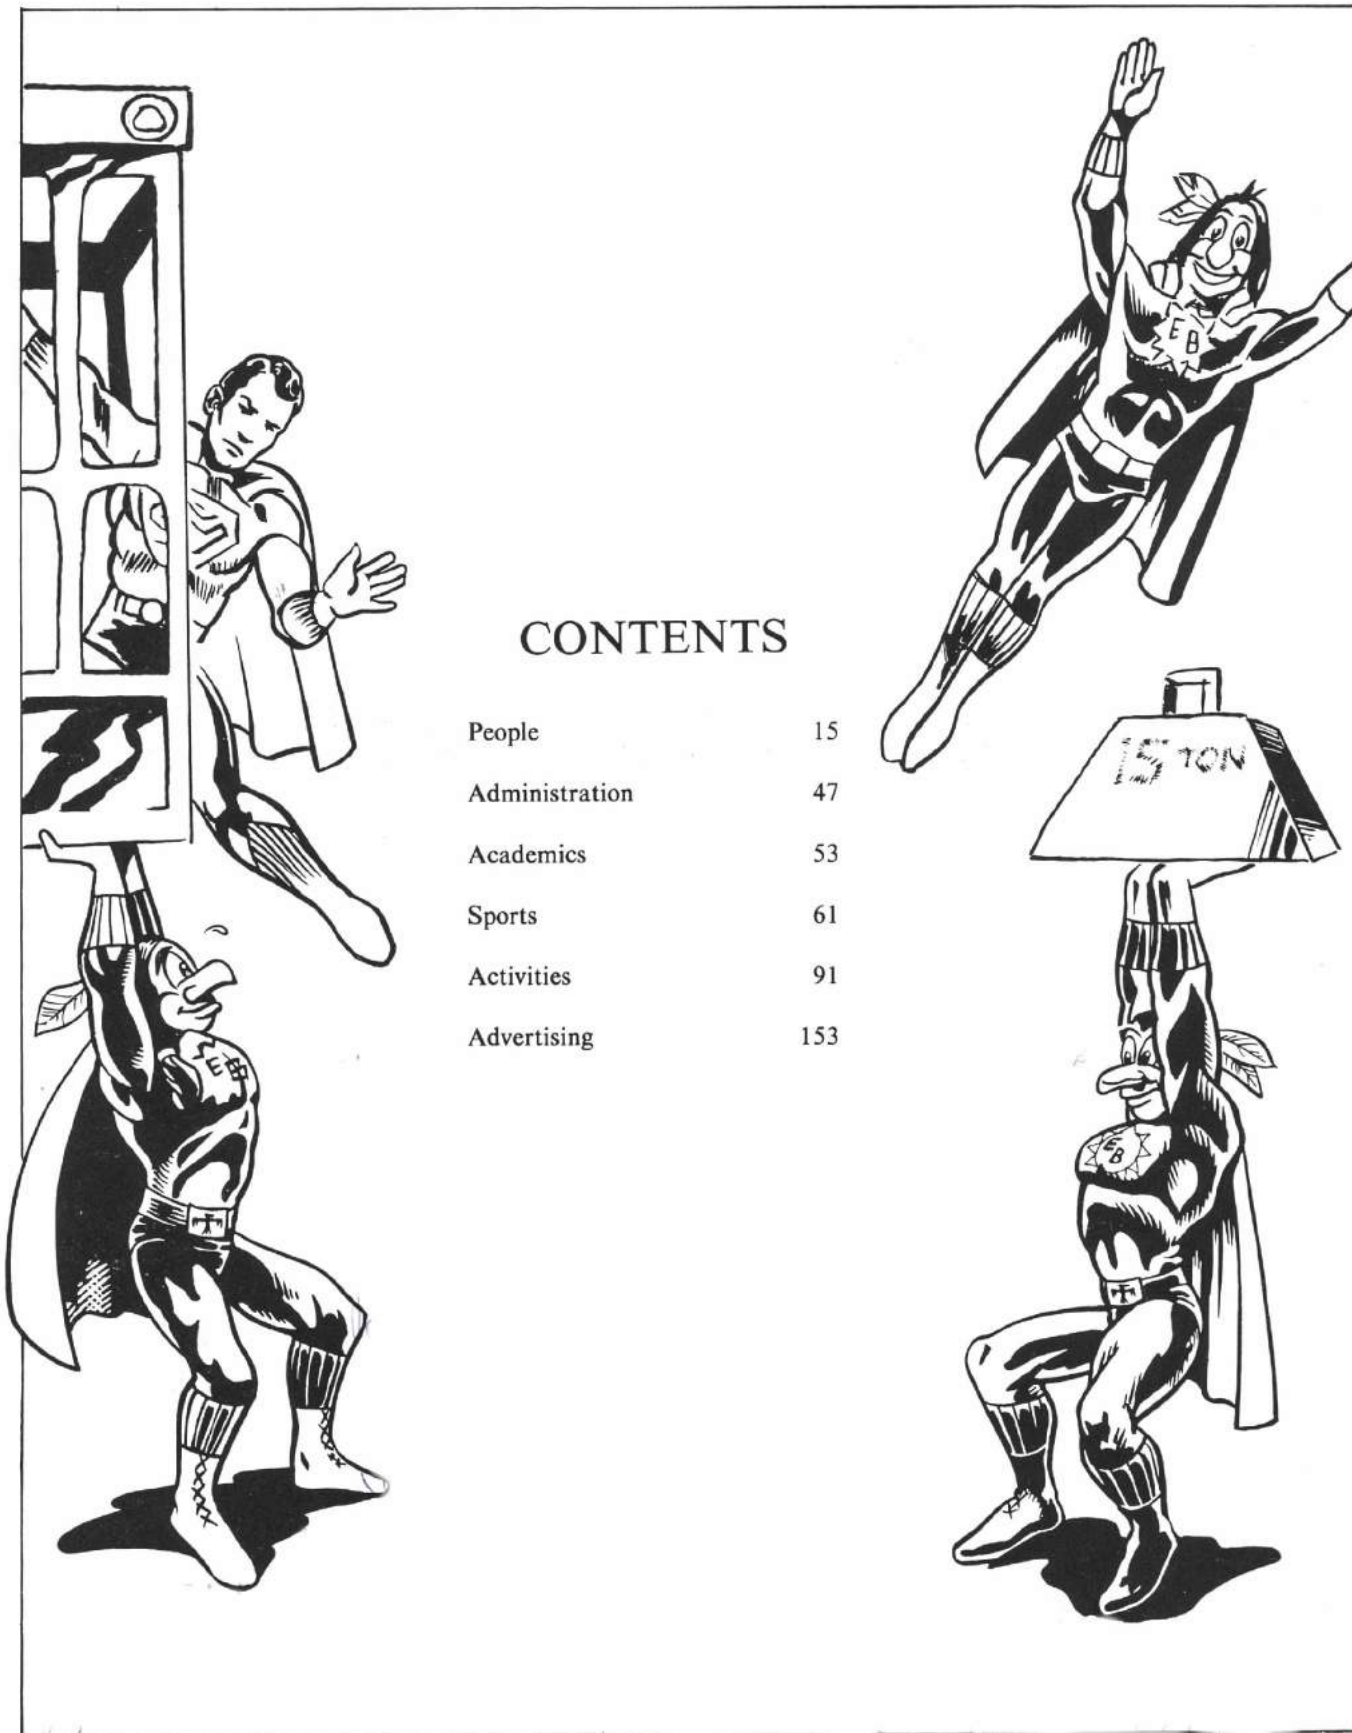

AT THE END OF THE DAY, EAGLEBEAK FLIES BACK TO MEET WITH THE SCHOOL BOARD.

SOMEHOW I DIDN'T THINK
I PASSED THE SCHOOL BOARD'S
LITTLE TEST.

OH WELL,
I GUESS I'LL HAVE TO
USE THE OLE SUPER-HYP-
NOTISM AND MAKE THEM
FORGET THE WHOLE UN-
PLEASANT EPISODE.
TEE! HEE!

THE END.

DR. CHARLES GLAZNER: IN MEMORIUM

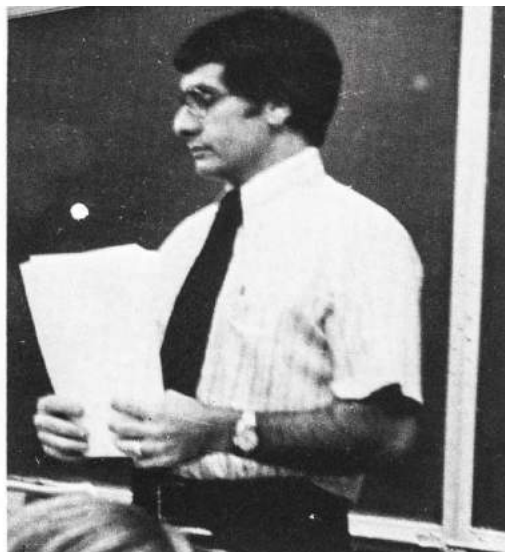

This year passed in the shadow of a great man. On May 4, 1976, Dr. Charles Glazner died of cancer. Dr. Glazner came to Palmer in May, 1973, when he was coordinating counselor. His work and dedication earned the respect and admiration of all who knew him. The following is an excerpt from a memorial written by Hank Lujan. We think that this describes "Charlie" better than anything we could say for.

"El Paso Por Aqui"

... Dr. Charles Glazner passed away at Colorado Springs Community Hospital this morning at 9:01 a.m. He is survived by his lovely wife, Barbara and two beautiful daughters, Meg and Sara, his mother and father, C. Ernest Glazner, one brother and one sister.

He was a dedicated family man with a deep and abiding love of his wife, his daughters, his parents, and his brother and sister. ... Often times, Dr. Glazner had said that if he could have written a job description for the ideal position, it would have been similar to that which he had in his role of Coordinator at Palmer. He deeply loved the staff and students and dedicated many long hours to serving our needs. He is responsible for many changes and improvements at Palmer, including the development of our registration procedures that were used this year, the inclusion of a course called Human Dynamics, greater utilization of counselor time for the purpose of personal counseling with students, the organization of the annual recognition assembly, the organization of the commencement ceremonies, the development of career education and the supervision of the nursing, special education, and social services at Palmer High School. But perhaps the most important thing he gave us was the day in and day out ability to be tolerant, to be concerned for and to love other people. His word was always his bond and it always stood for the best in him and one could always trust him to be honest; one always knew that he would not play games with them and that he would be fair. Dr. Glazner would be deeply troubled if he felt that in our sorrow that we somehow would not continue the work which he set before us. He will continue to live through us if we will dedicate ourselves to the ideals for which he worked, lived, and loved. We can be a living memorial to his ideals and I ask that each of you join me in this dedication. El Paso por Aqui, and I hope that you and I are a better person as a consequence of his having passed this way and having shared the gift of love with each of us.

VARIABLE SCHEDULING UNIQUE TO PALMER

Again this year Palmer remained the only school in the Springs to implement variable scheduling for registration. This system was first adopted by Palmer last year as the result of much study and curriculum planning. It was found to contain many favorable advantages for the student, such as more course offerings, more individualized programs, and a so-called decrease in student frustration and boredom.

With variable scheduling, the student had the option of choosing a class that meets once, twice, three, four or five times a week. Most classes meet on Tuesday and Thursday, Monday, Wednesday and Friday or Monday through Friday. Selected classes were expanded to two hour "blocks".

Registration for first semester went rather smoothly, as did second semester's, with the only flurry taking place at the counselor's tables. Free physicals were given which included blood tests, urinalyses, optical and speech tests, and weight and height measurements.

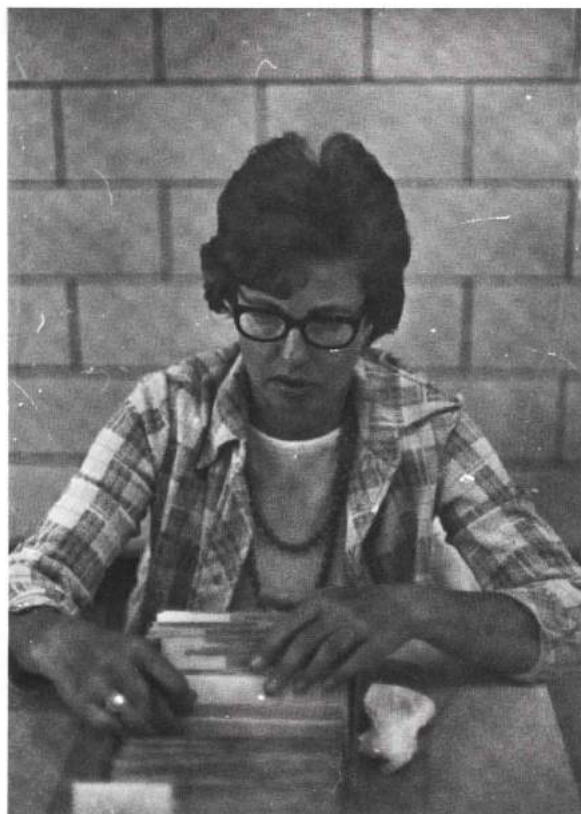

All in all, variable scheduling seemed to work quite well at Palmer this year.

Betty Boigenzahn and Patricia Clapp helped students register for second semester.

FOREIGN STUDENTS SPEAKEE ENGLISH

English as a Second Language was a class designed for anyone from another country that could not speak English. Most of the students were refugees coming from Korea, Thailand, Vietnam, Japan, Cambodia, and one student from France. They were taught through pictures, gestures, and the watching of television. This was the first year all of the District #11 junior high and senior high students came to Palmer High School to learn a functional amount of English. Miss Karen McCarthy and Miss Phyllis Shipp did a great job with this three-hour-a-day class.

UP, UP, AND AWAY!

If it weren't for those much-neglected graphic story magazines known as comic books, the beautiful yearbook you now hold in your sweaty little palms would be "muchly different." it would probably be very much like the average book: a wonderful cure for insomnia. But, after producing last year's terrible tome, I decided this year's had better be something special. Now the problem was determining what "something special" would be. While reading through the pages of *Howard the Duck #4* the inspiration came to me. I'd make the 76-77 *Retrospect* a comic book take-off. After reading and collecting comix off and on for five years (and enjoying every minute of it), I figured I knew enough about the subject to execute the idea at least fairly well. And so, you now possess the result of the hard work of many beautiful people.

With the explanation out of the way, I guess it is time to get on with the dedications. First of all, with no modesty whatsoever, I dedicate this yearbook to myself. Secondly I dedicate this book to all the wonderfully talented people who helped get it all together: the *Retrospect* Staff, the *Retrospect* Sponsors, Louis Stanford, Michael Reffalt, and Bill Holstein, American Yearbook Representative. Lastly and mostly, I would like to dedicate this book to the comic book industry in general, and the following people in particular: Fred Smootz and the folks at Magic Mountain, Underground Comix Artists George Metzger, Robert Crumb, Gilbert Shelton, John Adkins Richardson, Robert Kline, and the late Vaughn Bode', Commercial Graphic Story Artists Neal Adams, Richard Corben, Barry Smith, Jeff Jones, Frank Frazetta, Tim Conrad, Frank Brunner, Mike Kaluta, Berni Wrightson, Howie Chaykin, Mike Ploog, Jim Steranko, Walt Simonson, Frank Cirrocco, Alex Nino, Russ Heath, Jim Starlin, Gene Colan, Gil Kane, John Severin, Wally Wood, Steve Ditko, Jack Kirby, Graham Ingels, Dick Giordano, John Byrne, Joe Staton, the Buscema brothers, George Barr, Alan Weiss, Roy Krenkel, Jose Gonzalez, Esteban Maroto, and Graphic Story Writers Roy Thomas, Stan Lee, Gardner Fox, Steve Engelhart, Steve Gerber, Bruce Jones, Doug Moench, the Binder Brothers, Jim Starlin, and Byron Preiss. These people and countless others have provided entertainment and pleasure to gobs of people besides myself. Thanks.

FOXY FINN IS SOLE EXCHANGE STUDENT

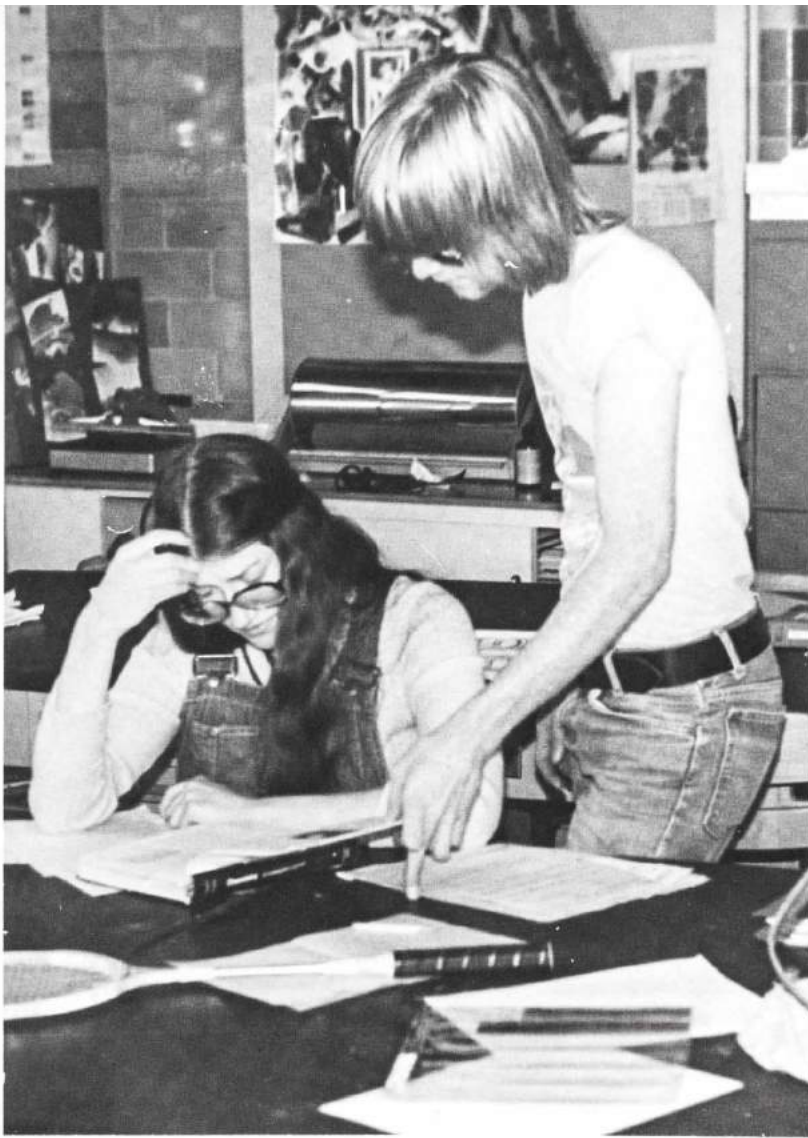

Surprisingly enough, Palmer hosted only one foreign exchange student this year. She was a seventeen-year-old Finnish lass by the name of Tiina Helenius, and was sponsored by the Youth for Understanding Exchange Program. She was born in Helsinki but moved shortly thereafter to Rovaniemi where her father worked as an air-traffic controller and her mother managed a clothing store (the oldest one in town). Ms. Helenius took eight years of English and five years of Swedish in the course of her schooling. Tiina likes to read, travel, swim, and ski. In her home town she won various local swimming and skiing contests. Tiina plans to be a lawyer after her schooling is finished. We hope that her life was enriched by her stay here at Palmer and her various experiences in the Springs. We all profited from her presence.

N.H.S. SUPPLIES STUDENT TUTORS

This year, the National Honor Society decided to provide tutoring services for needy students. During their free hours these N.H.S. kids put their massive intellects to use by teaching and helping students who were having difficulty with various courses. They gained satisfaction from instilling others with knowledge, and realized how difficult teaching can really be. Not difficult at all. Just kidding, teachers.

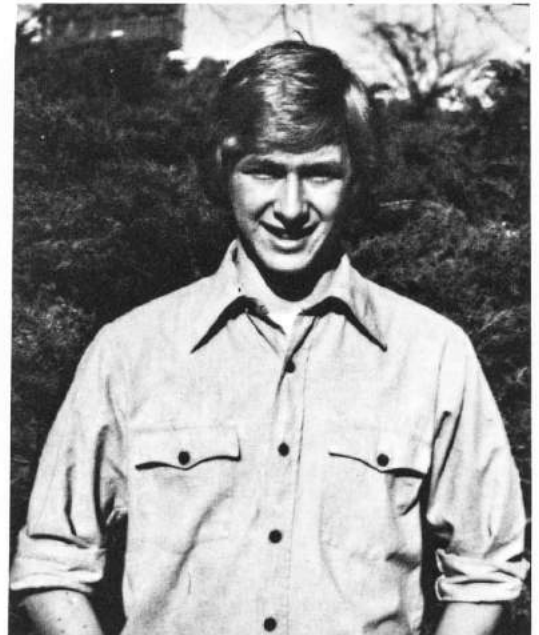

Pictured are Barry Williams and Robin Wadaga tutoring Robin Jones and Stephanie Brookes, respectively.

PALMER PIGSKINNERS FUMBLE SEASON

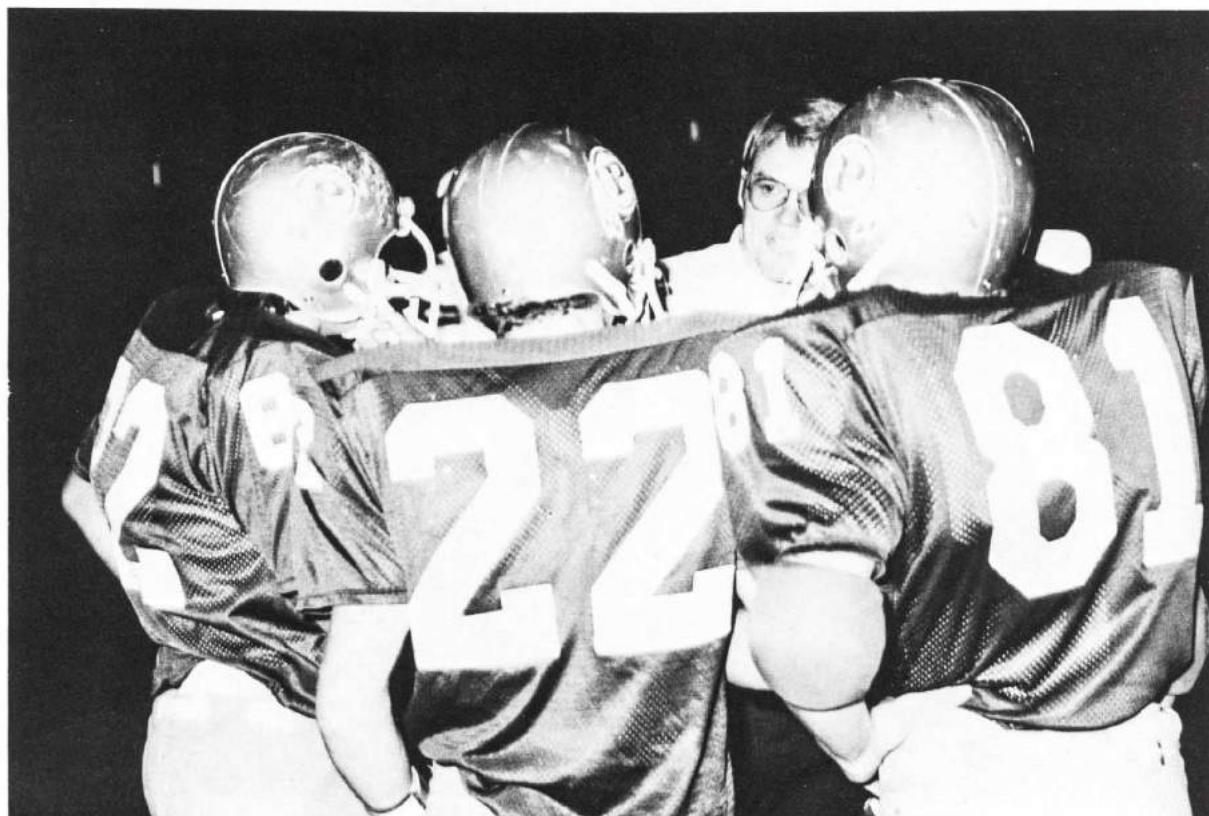

The 1976-1977 Palmer Varsity Football Team and new coach, Dave Grantz, had a rough start this year. Fighting hard for a victory, the Palmer Terrors really put their best efforts out front, but did not quite get off the ground. Palmer's football team gave Pueblo Central a really good fight with a score of Pueblo 21, Palmer 14. Outstanding players were Andre Plummer and Garcia Dudley.

J.V.: A PROMISING TEAM

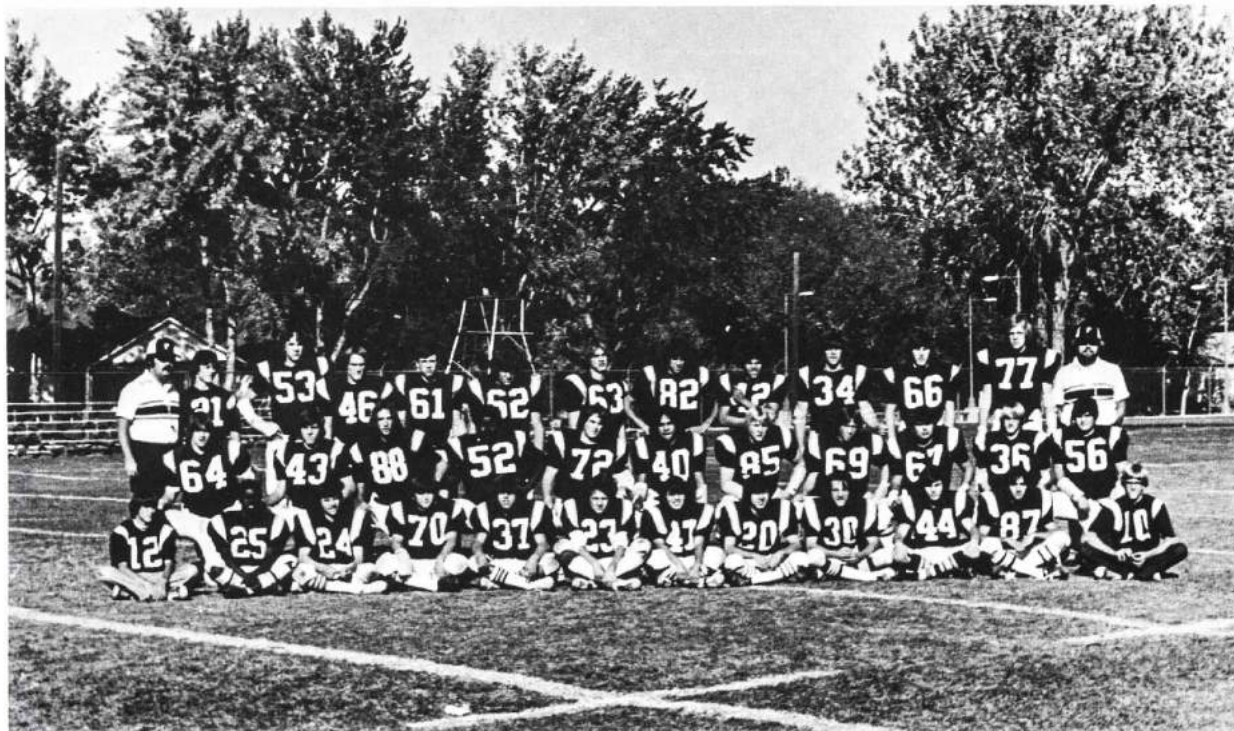

Palmer Junior Varsity Football team had somewhat of a normal year. With the combining efforts of the sophomores and juniors, JV made a very promising team. While the team was small in numbers, they held their own. Even though they had a 1 - 8 record, all their games were very closely scored.

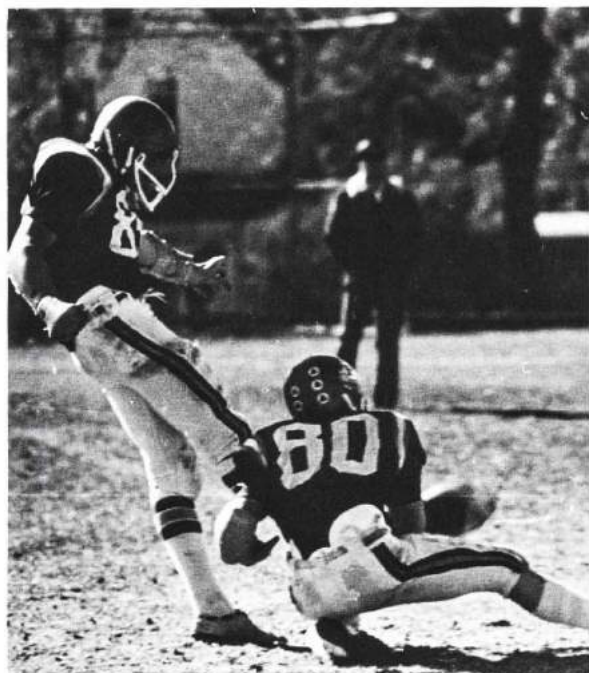

Number 34, Glen Rightmire, goes for a late catch.

CROSS COUNTRY "LAPS" IT UP

The cross-country team had a very enjoyable 1976 season. The members worked hard to improve their running ability. Every day the team would run 7-10 miles. They were loaded with dedication. There were very few experienced runners from last year. Sophomore, Sam Montoya finished very well in many of the meets, but more people are needed to make next years team stronger and better.

Coach Adams has a "good ole time" talkin' with the fellas.

Team is having a fun run.

GOLF TEAM PUTTS

The Palmer High School golf team, led by Senior Paul Debonis' steady performance, finished the 1976 season with decent records in both the City and South Central Leagues. Steve Merrick and Jay Hyde also provided able support to the teams achievements in 1976. Junior, Kevin Moody and Sophomore, Jay Stutts earned letters and will be counted on as the mainstays for the 1977 season.

BOYS' TENNIS TEAM FOLLOWS THROUGH

The 1976 boys' tennis team consisted of a lot of dedicated players. The team was young and inexperienced with only two seniors, #1 singles player Jeremy Jeffries and #3 singles player Paul Munch. This year was a building year with seven varsity juniors and sophomores along with all the players on the junior varsity team working hard for next years tennis season.

GIRL SWIMMERS ARE REAL WINNERS

The girls swim team got off with a big splash this year by winning all but two of their meets. Some impressive times were turned in by Kim Watson in the 100 freestyle and 200 freestyle; Cama Jo Coupens in the 50 freestyle and the 100 backstroke; Suzy Cotton, Nancy Simmons, Sherry Kavari and Cama Jo Coupens in the medley relay team. Luisa Davis turned in a very high score in diving.

TERRORS OUT- JUMP COMPETITION

The 1976-77 Varsity Basketball team was the youngest team in the South Central League. The competition in Colorado was stiff and it was hard to be the best, but with this high caliber Junior-dominated team the limit was the sky. With the leadership of returning lettermen Steve Prater, Tom McCord and Howard Lawson, the team did great.

Tribe in shock!

Steve Prater jumps high.

GIRLS BASKETBALL BOUNCES ALONG

The Palmer Girls' Basketball team had a very respectable season in this, their second year in competition. The young team had some outstanding individual and team performances. Much of their success can be attributed to senior leadership. Also, this was the first full season to field a Junior - Varsity. This all sophomore team has done a good job in all of their games. Things are looking bright for the Varsity team. Good luck, girls!

The 1976-77 Boys Swim Team got off to a good start. Both the medley relay team and the freestyle relay team qualified for state. Junior, Eric Jacobson, qualified for state in six individual events. The Junior-dominated team did great. All of the swimmers' times came down and the young and inexperienced divers improved at every meet. With Palmer High School support, next year the season will be one of the best ever.

GYMNASTS SPRING INTO ACTION

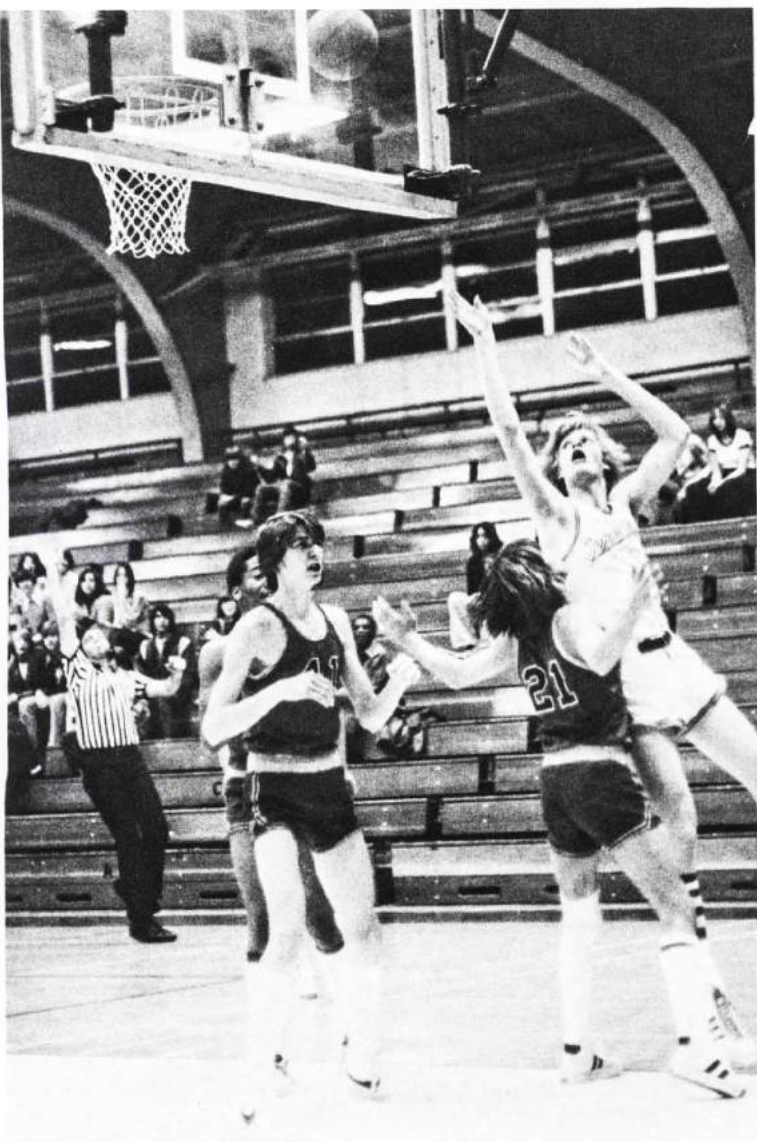

The Mens' Gymnastic team had a successful season, attributed to the extra effort put forth by the members of the team. The team consisted mostly of seniors and sophomores. The team was successful because of the leadership supplied by the seniors and some exceptional performances by the sophomores. An outstanding senior, Brian Garrett, was the high scorer for Palmer. Other talented seniors were Dave Patterson, Dave Money, Eric Nakata, and Gary Cartee. The effort displayed the team this year should inspire the success of future teams.

J.V. BASKETBALL: FUTURE STARS

The Junior Varsity Basketball team had a successful season considering that it was a training program for next years Varsity team. The team consisted of five sophomores and five juniors. The leadership of the team was supplied by Karl Van Camp. Other outstanding players were Jason Rasmussen, Johnny Martinez, Rick Galaher, and Marc Archuleta. With the improvements accomplished by the team this year, the Varsity team next year will be great.

ACTIVITIES

HOMECOMING: OLD TRADITION - NEW SPIRIT

Homecoming week provided fun and excitement every day and included night activities such as the square dance, taco dinner, football game and the Queen crowning at the Friday night dance. A parade began the week, Monday afternoon. This included many Palmer groups and guests from other local high schools. The Junior Council provided the Taco Dinner Tuesday. The square dance took place Wednesday night. Friday night was the dance, the big night for Queen, Bonnie Berrios. Palmer vs Pueblo Centennial was the scheduled football climax Saturday night. Thanks and credit for the well planned Homecoming Week goes to the members of the Cabinet, Council, and Advisors.

A-SQUAD CHEERLEADERS

Our varsity cheerleaders had a very busy year. They participated in the Summer Cheerleading Clinic at Doherty where they earned a "Superior" trophy. This bunch of lovelies also performed in various parades.

With the start of the school year, the A-squad boosted school spirit by cheering at assemblies and all varsity athletic events. Our charming cheerleaders helped judge junior high cheerleading contests, participated in the Homecoming Parade, and painted posters advertising school events.

What synchronization!

B-SQUAD CHEERLEADERS

Palmer's talented junior varsity cheerleaders made up the other half of our peerless cheerleading unit. Their activities closely paralleled those of the A-squad. These honeys attended the summer cheerleading clinic, and held car washes.

They performed in the Pikes Peak or Bust and Homecoming parades. They, too, strutted their stuff for the judges at the state cheerleading meet.

The B-squad attended all junior varsity and varsity sporting events held during the year, occasionally helping out the A-squad. They produced buttons and posters to promote school spirit, and out of the kindness of their hearts, baked a cake for the junior varsity football team. How very commendable.

THE TERRORETTES

It is difficult to describe the dynamic drill team because their versatility enabled them to do so many varied things. The purpose of this talented team was summed up in the Terrorette constitution like so: "to perform during half-time at football games with the Palmer High School band and at basketball games, to participate and represent the school in parades, to support the team, cheerleaders, and the school, and to perform at any other type of performance for the pleasure of spectators and the betterment of school moral." In order to be in condition for the above-mentioned activities, the Terrorettes had to practice at 7:00 A.M. each morning. Always busy, the drill team took part in the Pikes Peak or Bust, State Fair, and Homecoming parades. They lit the Homecoming bonfire, distributed Halloween candy to football players, sold programs, and collected money for our Swim-a-thon. At the end of the year, these dedicated darlings held a banquet for the parents of Palmer's athletes. Good show.

MARCHING BAND HAS IT ALL TOGETHER

Reb Bryant, Band Major.

This year the Number 1 Marching Band was at its best. In addition to performing at all the home football games and attending the "away" games, they found time to participate in contests. They took First Place in the regional band contest and First Place in the Pueblo Band Day. This spring they also went on tour with the choir.

Adding to the marching band's brilliant performances were the Flag Girls. Their flag routines added a special touch to the good music.

Other progressive bands included Stage, Symphonic and Concert. Palmer also has an active Orchestra. Each band performed various concerts throughout the year and attended the state music contest.

CHOIRS RATE SUPERIOR

The 1976-77 Choirs were made up of students who wanted to polish their natural vocal abilities. They did this by attending several all-city concerts, performing on TV during the Christmas season, and contributing to the holiday festivities at Chase Stone Plaza.

Several singers became members of the State Choir at the University of Southern Colorado. Cindy Henning, a member of the Chamber Singers and the Concert Choir, was chosen as the Number One soprano for the state of Colorado.

The Chamber Singers participated in the State Concert in March and performed in the Annual Spring Concert in April.

Their most important local contribution was helping in the musical *LIL ABNER*, the spring theatrical performance

The Palmer Drafting Club VICA had sixteen members this year. They sponsored several fund-raising projects in order to send members to the Regional and State VICA Skill - Olympics Contest in April. Some of the projects included the Swim-a-thon, selling metal social security cards, printing and selling posters and calendars. They also drew up plans for the repainting of the cafeteria. During early November, the officers went to a STATE VICA Leadership Conference held at the Antlers Hotel. The members went on several field trips and participated in varied social events during the past school year. Purpose of the club is to try to motivate students and aid in their knowledge in this age of technology.

YOUNG LIFE

Young Life is a club for anyone that likes to have fun. It is best known for the infamous What-the-Fat-Kiss-the-Pig-Pie-In-the-Eye contest. It was a four-week long contest between the guys and girls to see who could carry the most concealed weight. Every week each person was weighed in. The girls won the competition by a mere one thousand pounds. They then had the privilege of watching a few lucky guys kiss a pig on the snout and then the girls got to throw pies at the guys. Young Life is a great group where everyone learns and grows together. Everyone is welcome to join.

CABINET AND COUNCIL

This year's cabinet and council showed capability and interest in Palmer' activities and functions. They started off the school year with Sophomore Orientation in August. The successfull first dance of the year was the Icebreaker.

In October, many fun-filled events highlighted Homecoming Week. First there was the parade, which was full of color and variety. Following, were a taco dinner, special games, the queen assembly, square dance, bonfire, homecoming dance at the Masonic Temple, and the football game with an impressive half-time presentation. They all made for a well-organized and exciting week.

The month of November was marked with Cultural Awareness Week in which different clubs held special activities for each day. The Christmas Season was made special with the events during Holly Hop Week: Holly Hop Queen presentation at the game, a movie, and of course the dance. During this week there also was a question-answer session which cleared the air for Student and Student Organization communication.

January was marked with an eventful week of activities including a dance depicting the 50's. In February was the Sweetheart Queen elections and dance. Also a donkey basketball game was held. In March, Sadie Hawkins events included a King Assembly with elections, and then a dance. In April there was a two day symposium of unique learning experience. Also a Part of Student Organization's planning was a carnival. Last, but not least, was the final dance of the year, the Prom.

The 1976-1977 Student Organization worked together with the student body, through much planning and exciting building of friendships, and helped make this year a great one at Palmer High School.

HAPPY DAYS AT PALMER

Each year the students of Palmer await 50's Day. It is the one day of the year when students and teachers can dress like the old days. The halls were filled with everything from poodle skirts to grease spots on the walls.

The assembly was also a great success. Many agreed that the Munchkins were the stars of the whole performance.

The Palmer *Lever* staff once again came through with literary masterpieces. This year the paper excelled to such a degree that issues were given out for free. The *Lever* staff was a very tight-knit group of experienced but rowdy seniors. An example of their journalistic skills: "We regret that Mrs. Hobson will have to start with an inexperienced staff next year - providing we all graduate."

TERRORS TRY TUTORING "HIGH TRAILS" TERRORS

Palmer High students again participated in High Trails both fall and spring 76-77. This, a rewarding experience for all who participate, was begun to give sixth graders an opportunity to experience the out-of-doors. High school students help as counselors. Activities vary from the teaching of outdoor classes, supervising sleeping quarters, and directing hikes to cleaning latrines and inspecting camp before signout time at the close of the week activities.

LI'L ABNER

The major musical play at Palmer this year was *Li'l Abner*. The cast was young but talented. Many students sacrificed time to go to rehearsals and get their "elaborate" costumes ready for production time.

Li'l Abner was an original musical comedy by Norman Panama and Melvin Frank.

In addition to the cast, choral, drama and band students participated in the production.

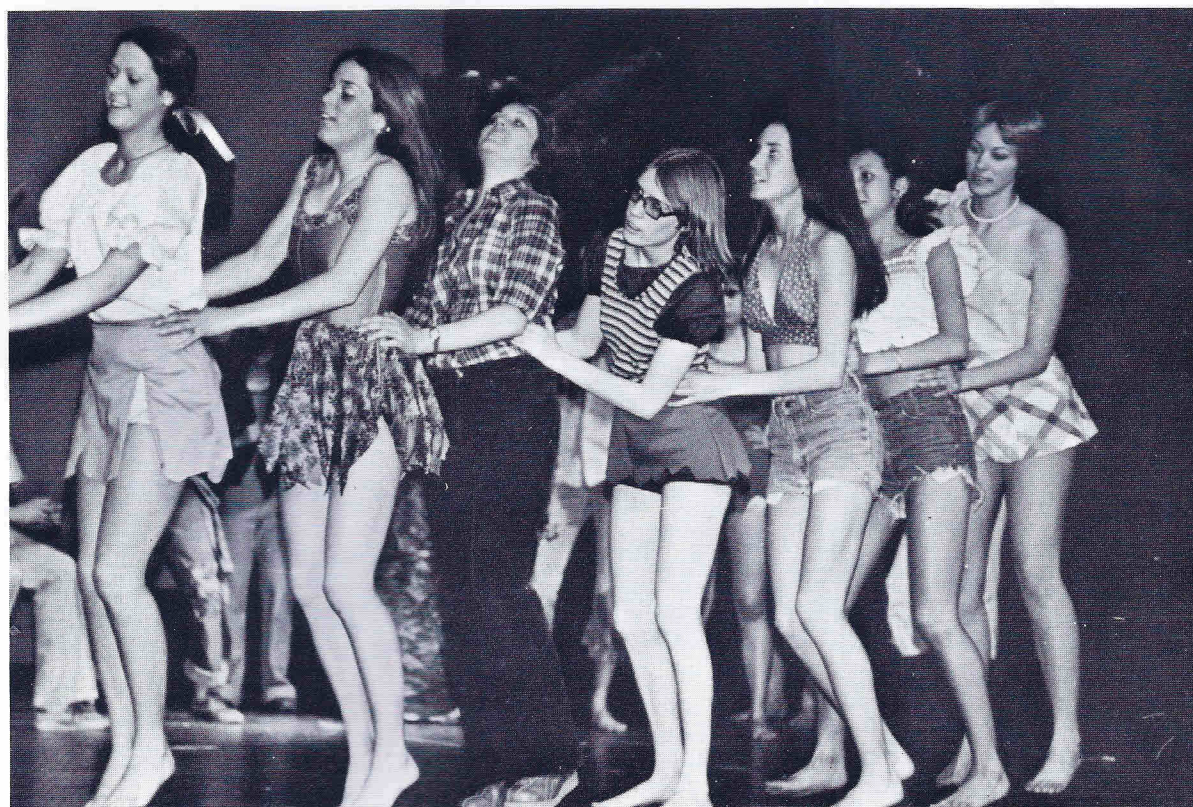

"Daisy Mae" - Phyllis Fretschel

"Li'l Abner" - Brian Osborn with Brad Johnson and Keith Bennett.

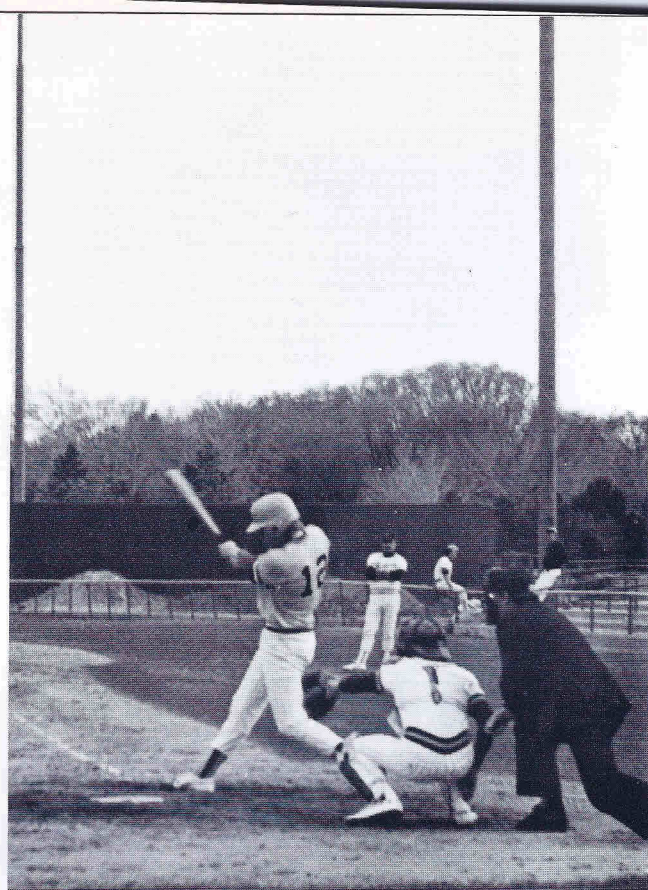

Jeff Peckham singing about "Jubilation T. Cornpone."

Dancers: Pam Stingley, Carol Brumer, Candy Aune, Norma Claman, Linda Nissen, Vicki Quintana, Cindy Carmack

BASEBALL HAS A SHORT SEASON

The 1977 season seemed to start late and end early. The Terrors started to play competitive as the season came to a close. Hit hard by graduation, the Terrors were a young inexperienced team. With only two returning regulars, the Terrors could win only four games. Results came late in the season but the Terrors showed they could play ball.

WOMEN'S TENNIS HAS SMASHING SEASON

The 1977 Women's tennis team, coached by Dan McKiernan, was young and inexperienced with only two returning letter women, Juniors Sally Spencer and Sandy Maska. The team was lead by Sophomore Laura Price, followed by Martha Sullivan at #2 singles. Sullivan was the only Terror to make it to State. She had an unfortunate accident and broke her finger, therefore making her forfeit all her State matches. Spencer played #3 singles. The double teams, consisting of Seniors Diane Boigenzahn and Patti Koppy at #1, Senior Judy Sonderman and Maska at #2, and Junior Lisa Smith and Sophomore Diane Patterson at #3, all played very well together. The Junior Varsity team, coached by Barbara Toney, had an outstanding season with all its players vastly improving.

BOYS' TRACK

This year, Palmer boys track had a very rewarding year. There were only two returning lettermen to start the season. With hard work and plenty of ambition, the season ended with nine lettermen. The team was supported by such standouts as David Bowen, Kahle Charles, Jack Donley; who set a new school record in the pole vault, Sam Montoya; a sophomore who placed sixth in the South Central League, Kevin Reilly, Dennis Rogan; who placed first in the South Central League, Chris Strabala; who set a school record in the discus with a throw of 158 feet and 11 inches and placed second in the South Central League, and David Skirka.

Next years team will be even more promising, The team consists of mostly sophmores and juniors who will be returning. Mr. Hessel, the track coach, will hopefully lead them into another winning season.

“ON THE THRESHOLD OF A DREAM”

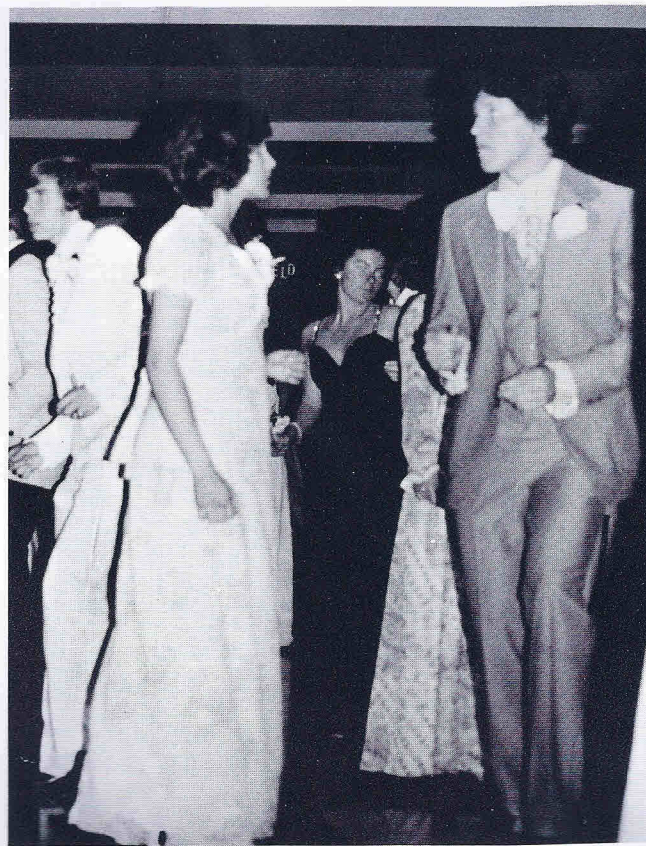

The theme chosen for the 1977 Prom was “On the Threshold of a Dream.” The prom was held on May 28 at the Masonic Temple.

Marie Burgess was crowned Prom Queen. Bill Kurtz was elected Prom King.

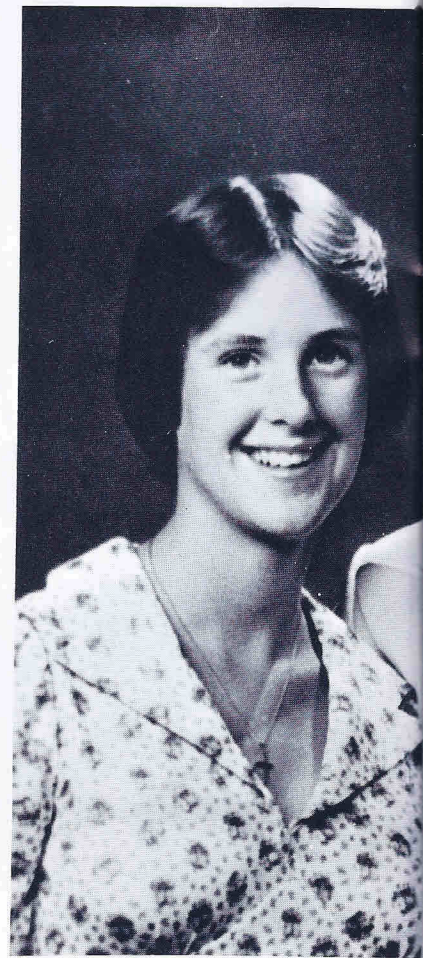

Windfield provided the music for an enjoyable evening. Everyone who attended considered the 1977 Prom a memorable event.

Two students enjoyed themselves.

"WE MAY NEVER PASS THIS WAY AGAIN"

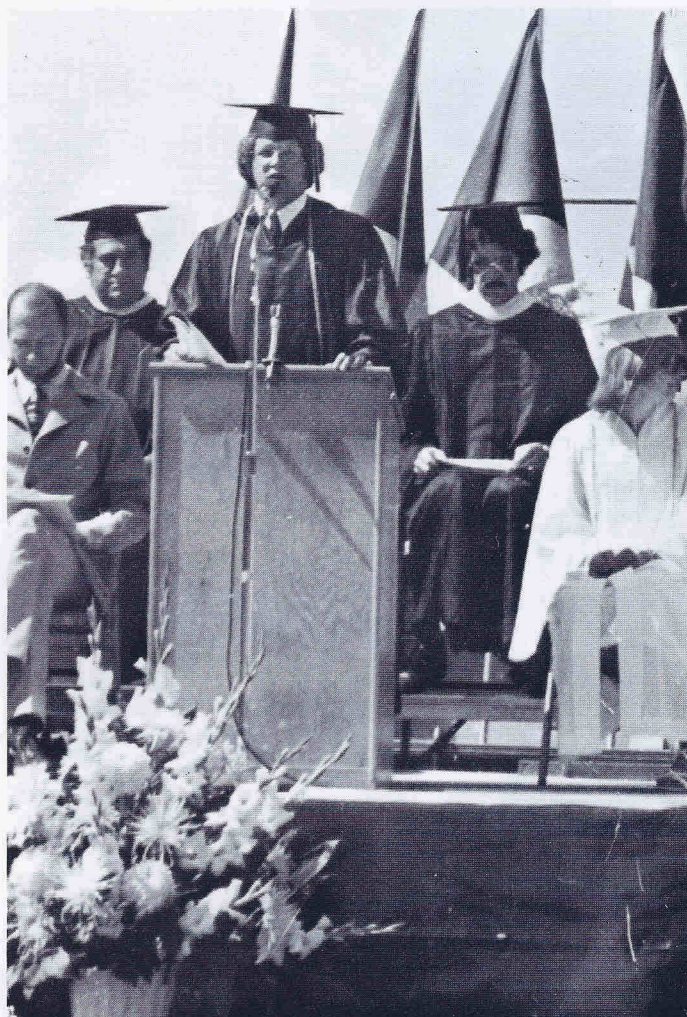

On the third day of June, 1977, Palmer's ninety-eight graduating class marched into Garry Berry stadium to participate together for the last time. Graduation had been scheduled for June 2, but rain had cancelled it until the next morning.

On the big day, the excitement and the fear of beginning a new life was on the groups face. Not only a beginning as a whole class but for each individual. Valedictorian, Julie Anderson and Tim Flannigan, Class President, gave speeches stressing the importance of achieving future goals.

As each graduates name was called, memories of old textbooks, school bells and shared laughter flashed through each person's mind.

The band played for them one last time.

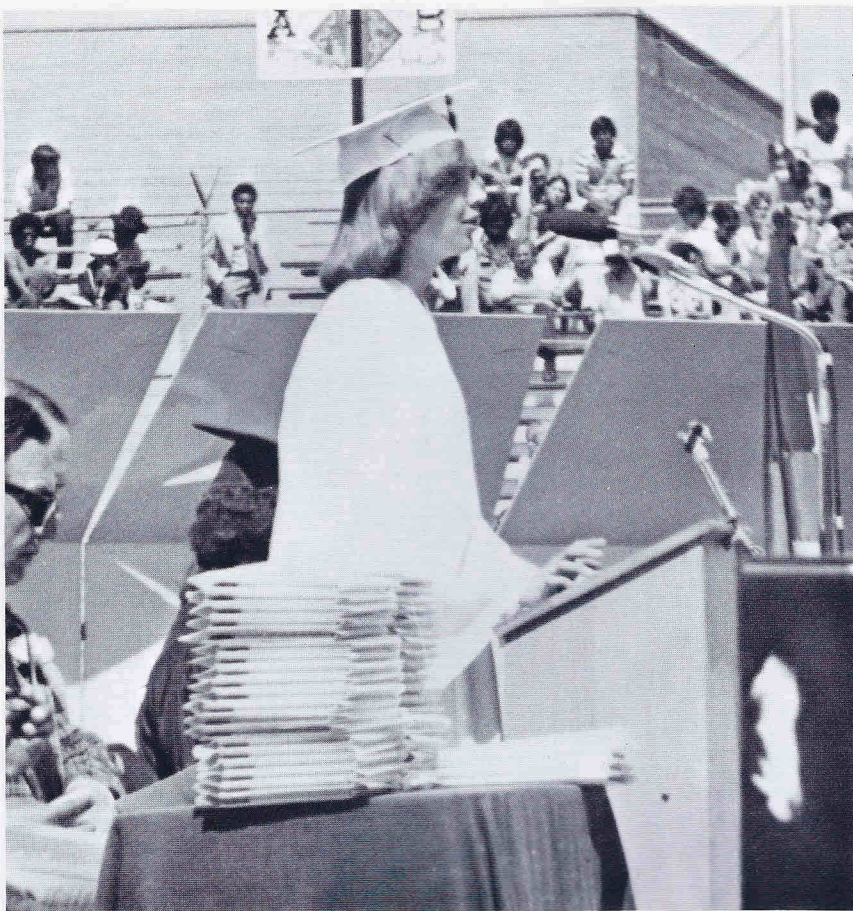

At the closing of graduation, the new alumni kissed and hugged each other. Though they were happy to graduate, they knew they would miss one another. Promises were made to write or telephone in order to stay in touch. After all congratulations and good-byes were said, the graduates rushed home to rest up for the upcoming parties.

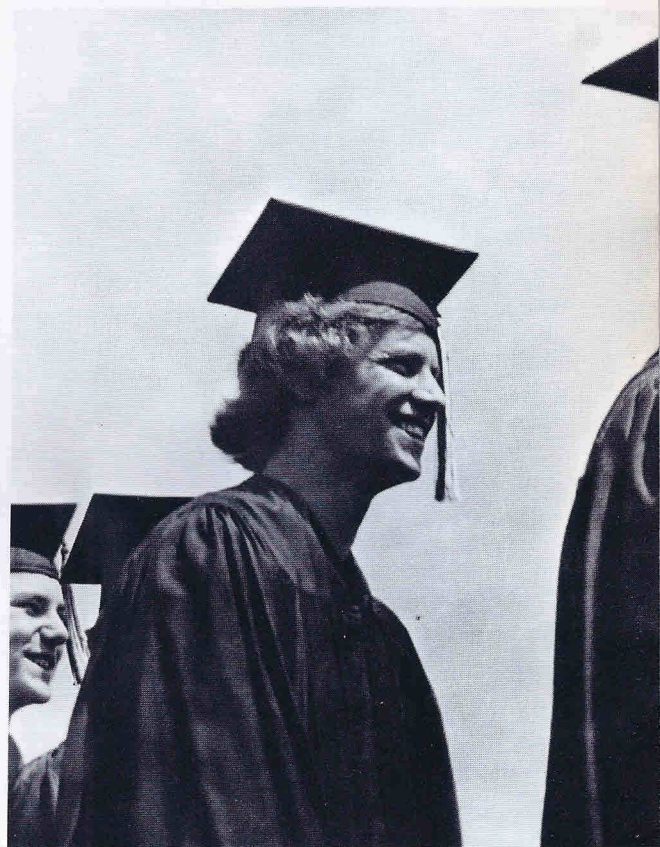

Class President, Tim Flannigan, addresses his fellow graduates.

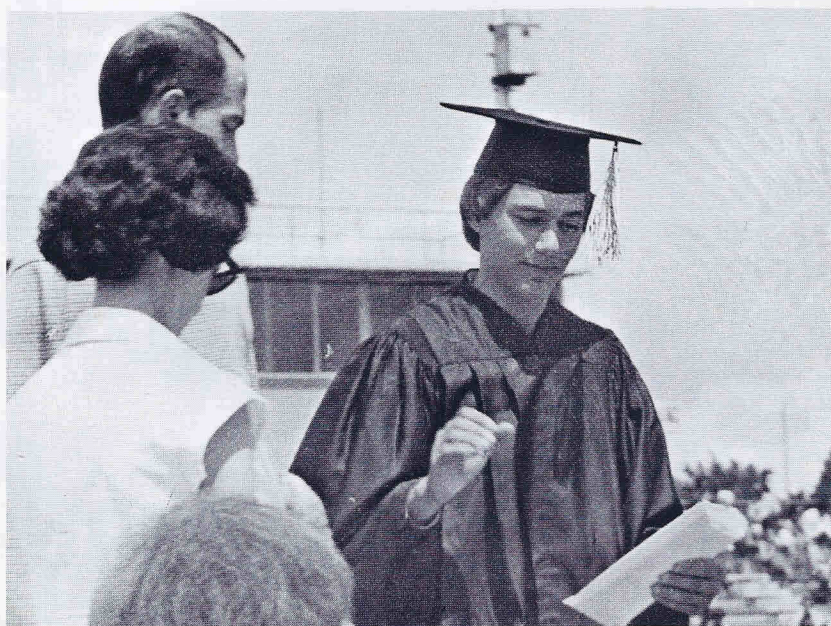

Teacher, Miss Toney, says farewell to students.

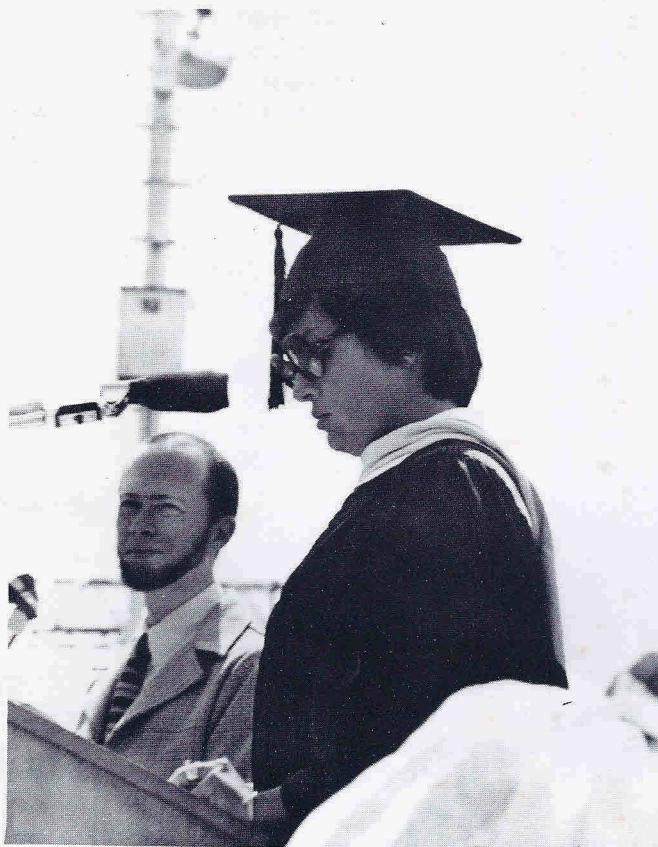

Valedictorian, Julie Anderson, tells each senior to look ahead into the future and seek a goal.

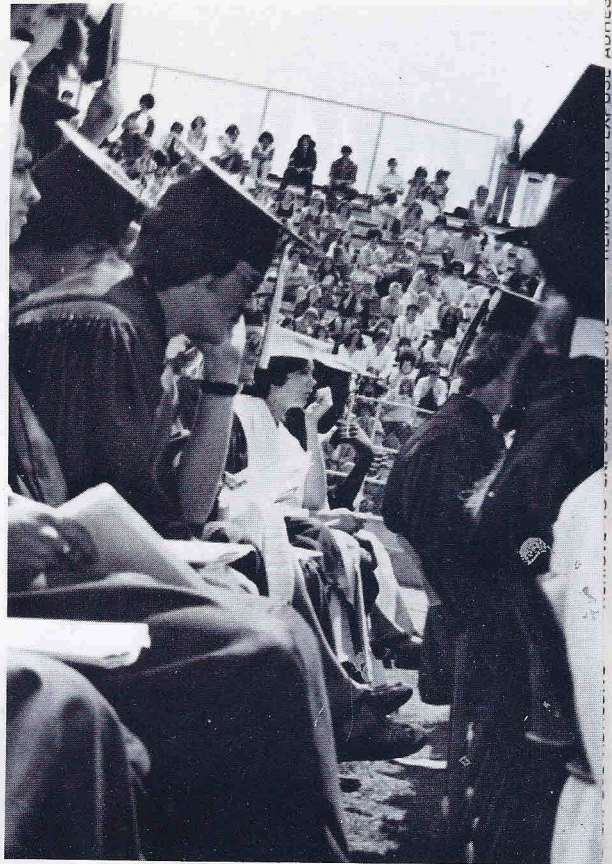

The look of accomplishment.

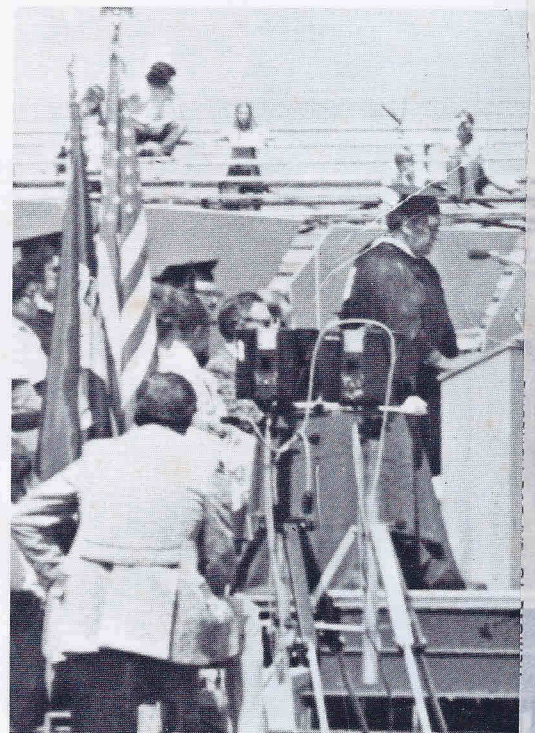

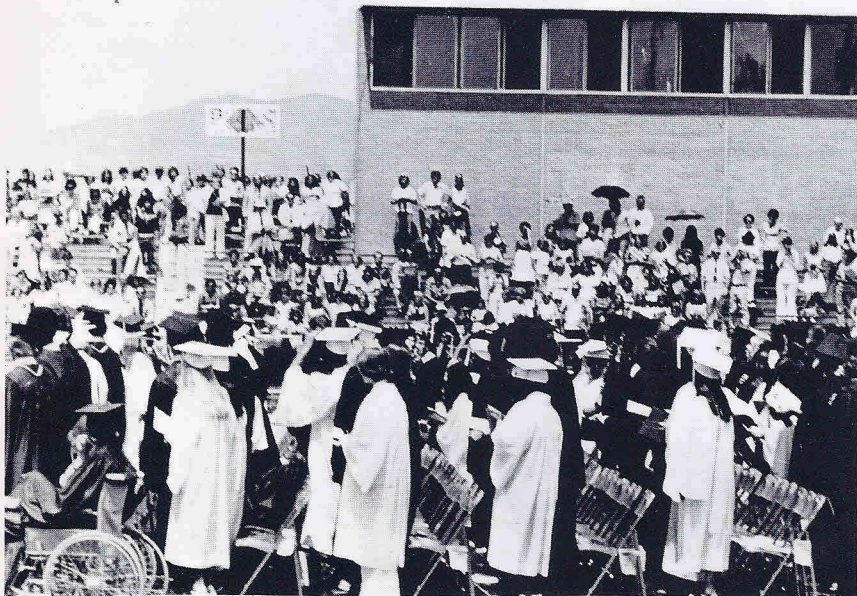

A speaker nervously awaits his turn.

Mrs. Gonzalez reflects on the past year.

Seniors listen to the speeches and realize that a new life has begun for them.

Mr. Lujan closes the ceremony.
